NOTICE FOR DHANMONDI AND GULSHAN WORKSHOP STUDENTS

Dear workshop students in Dhanmondi and Gulshan,

Due to the COVID-19 crisis, our offices have been closed since 26 March 2020.

You might have been enrolled in a workshop for the session January-March (classes due) or for the session April-June (the session could not start due to the COVID-19 crisis) and you were not able to complete your classes. We apologise for the inconvenience.

If you are in such a situation (you have paid for a workshop session and the course was not completed due to the COVID-19 crisis), please write to us at programme@afdghaka.org. Please indicate in your email: the name of your workshop, the date of your session, your full name, your AFD ID (alliance ID), and your concern.

Our staff will contact you.

We apologise again for the inconvenience.

Best regards,

AFD Team
